# Volunteers Wanted at the Bartholomew County Humane Society

The Bartholomew County Humane Society is a non-profit organization that cares for homeless animals in the Bartholomew County area. We depend entirely on generous donations to properly care for these animals asking for a second chance at life. Currently the Humane Society has an estimated 140 cats and 40 dogs. Everything needed to provide for these animals on a daily basis such as food, litter, medication, cleaning supplies, vaccines, even the beds they sleep on, rely completely on contributions made from the community!
